Leaders Update

Dear Cornerstone Family,

Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge him, and he will make straight your paths

The more I get to know God, the less I understand the world. The human mind is part of God's wonderful creation, but it cannot comprehend all the mysteries of the world. When things do not go our way, when we come across barriers that we ourselves cannot move, we need to learn on God. We should not trust in our own ways and thinking, but rely on God's provision, and faith that he will guide and return us to the walk with him.

The heating is on and there is free device charging and wifi. Come and have a browse, have a cuppa or join in with the jigsaw!
