Leaders Update

Dear Cornerstone Family,

This week, I have had the pleasure of watching numerous birds of prey in the skies above Leeds. These majestic creatures swoop through the skies, searching for prey.

They were created for this purpose, God created these creatures to hunt and scavenge. God created these to fly, and soar across the sky.

God created you with a purpose, so this week remember you are fearfully and wonderfully made, the apple of Gods eye, designed to be you.

Operation Christmas Child

God Uses a Gift and a Letter to Change Lives

As a 7-year-old in Mongolia, Jargalmaa (pictured left) described one particular day as "unexpected." After school, her teacher invited her to a church where she received her very first gift! This Operation Christmas Child shoebox gift included, among other fun toys, stationery, and a set of hairclips. Inside, she also found a letter that said, "You are valuable and so loved by God." Jargalmaa cherished this message because her parents and grandparents had never told her that they loved her.

Jargalmaa went on to participate in The Greatest Journey discipleship programme where she especially appreciated the lessons about God as Creator. Later in 10th grade, she accepted Jesus as her Lord and Saviour. Through her testimony, five of her family members and two close friends also made this life-changing decision.

Now 15 years after receiving her shoebox gift, Jargalmaa, her husband, and two young children (pictured above) have recently moved to a new community where they are ministering to youth in hopes of starting a church.

"I would like to challenge people who are preparing shoebox gifts to also write a letter showing God's love," Jargalmaa said. **"What's written there may be very simple, but those simple words could completely change somebody's life."**

Operation Christmas Child

"Thank you very much for your care about our children. Our children are very happy to get present box from you. It is full of very necessary things for school and for child life. We are middle of Asia. Kyrgyzstan"
